Descriptions

Workstation Concept Design

Scope Of Work:

Phase 1: Concept Design

After initial meeting, Impress will develop 1 conceptual approach of the station design. The station will have a rustic/ space theme that is similar to the photos provided by the client. Equipment : Freezer + pizza oven 50cmx50cmx50cm. Accurate sizes will be provided after design.

Phase 2: Client Review I

Client will review 'concept design' submission and submit written feedback and comments on the concepts, highlighting potentials and drawbacks, likes and dislikes in order to direct impress design development. A design will be developed with all approved criteria embedded.

Phase 3: Design Development

Following client review, impress will develop detailed design taking into consideration client's preferences and budget in all concepts to converge them into one unique solution. This process will take 2 days from the date of client feedback.

Phase 4: Client Review II

Client will review the revised designs & provide feedback for further revision. Upon final review, minor changes will be made accordingly and the design will be finalized.

Phase 5: Finalizing Designs

Upon presenting the design option and client's review on them, impress will develop the final submissions as a digital print proof for client approval. This process will take 2 days from the date of client feedback.

Phase 6: Project Completion

The full project delivery should not exceed the duration of 15 working days from date of getting the whole material

Price:

KD 250/-

Please Note the Following:

Quotation is valid for 15 days only. If order is delayed fresh quote will be submitted.

Payment will be made by (cash or cheque). Advance 100%
